

Averett University

Bachelor of Applied Science (AAS Transfer Degree)

STUDENT DATA:

NAME: ROADMAP'S DEGREE

SSN: 000-00-0000

Credit Potential
Required Credit

Introduction to Writing and Research (ENG 111) [EN024B]

3.00

(A review of usage, punctuation, and paragraph development. Emphasis on effective written communication, especially in short (1-3 page) essays. Includes some critical study of prose fiction. Frequent in-class and out-of-class writing practice. Instruction in use of library for research and in various stages of assembling research material. Required of freshmen. Prerequisite: ENG 100 or placement test score. College credit by examination may apply.)

{DANTES Code = 11.07.00}

Introduction to Literature (ENG 112) [EN025B]

3.00

(The reading of fiction, poetry, and drama, both classic and contemporary. Emphasis on genre study, literary terminology, and critical analysis. Includes further practice in use of research materials and preparation of a term paper on a literary topic. Prerequisite: ENG 111.)

{DANTES Code = 11.07.00}

Advanced English Literature Elective

3.00

This course must at the 200 level or above. Visit the AU website for course listings and descriptions.

Fine Arts Electives

6.00

(College credit by examination may apply. Visit the AU website for a description of courses available.)

{DANTES Code = 08.06.00 or most 08.XX.XX series}

Philosophy/Religion Electives

3.00

(College credit by examination may apply. Visit the AU website for a description of courses available.)

Science Elective

8.00

(College credit by examination may apply. Visit the AU website for a description of courses available.)

{DANTES Code = 16.13.00 or 16.99.00 or most 16.XX.XX series}

Social Science Electives

9.00

(College credit by examination may apply. Visit the AU website for a description of courses available.)

{DANTES Code = most 20.09.XX or 20.10.XX series or 20.XX.XX series}

Principles of Mathematics (MTH 103) 3.00

(A first course in university mathematics focusing on functions and their applications. Topics include equations, graphing, relations, and functions with an emphasis on polynomial, logarithmic, and exponential functions. Prerequisite: MTH 100 or placement. College credit by examination may apply.)

{DANTES Code = any 14.XX.XX series}

Introduction to Statistics (CSS 203) 3.00

(A first course in statistics. Topics include permutations, combinations, distributions, (binomial, normal, Student's t, chi-square, and F), sampling, hypothesis testing, significance levels, confidence intervals, regression and correlation. Does not count toward minor in Computer Science. Prerequisite: MTH 103 or equivalent. College credit by examination may apply.)

{DANTES Code = 14.09.00 or 14.09.06}

History of Western Civilization I (HIS 101) [HI002B] 3.00

(A survey of world history from the earliest times to 1715 (101) and 1715 to the present (102), emphasizing western civilization and the relevance of the past to contemporary life. College credit by examination may apply.)

{DANTES Code = 20.07.06. or 20.07.07 or 20.07.08}

History of Western Civilization II (HIS 102) [HI002B] 3.00

(A survey of world history from the earliest times to 1715 (101) and 1715 to the present (102), emphasizing western civilization and the relevance of the past to contemporary life. College credit by examination may apply.)

{DANTES Code = 20.07.06. or 20.07.07 or 20.07.08}

Introduction to Old or New Testament Literature (REL 101,102) [RL05SB] 3.00

(Visit the AU website for a description of this course.)

{DANTES Code = 17.03.00}

Related Concentration 18.00

Business Admin, Computer Information Systems, Computer Science, Math, or Sociology.

(Visit the AU website for a description of courses available.)

Associates in Applied Science Degree - Transfer Credit 60.00

(60 or more transferrable credits - a grade of C or higher from a regionally accredited institution for those who have completed an AAS degree is required to enroll in the BAS program. Official transcripts from all accredited institutions attended are required.)

Excess Duplicate Credit

TOTAL	128.00	0.00
--------------------	---------------	-------------

Thank you for requesting support from the U.S. Coast Guard Institute (CGI). Whereas we serve as an activity in support of your unit Educational Services Officer (ESO), you are encouraged to seek assistance from your local ESO in your academic endeavors. The following information is provided to help you understand what is presented in this degree plan:

This document is an UNOFFICIAL Degree Plan to provide you with a preliminary assessment of how your prior learning experiences might fit into the specified degree program for this academic institution. If you choose to pursue this degree option, you must present it to a college representative, who will review it for the following:

- o Accurate representation of the college's degree program requirements, including course numbers and titles, credit hours for each course, lower- and upper-level course requirements, and the total number of credits needed for the degree.
- o Appropriate assignment of ACE Guide-recommended credit at the lower or upper level for military service schools and occupations, CLEP, DSST, and other tests, transfer credit for courses from other colleges and universities, certification programs, etc.
- o Appropriate assignment of SOC Course Category Codes from the SOC Handbook Transferability Tables. The SOC Degree Program Handbooks can be obtained from the SOC web site at: www.soc.aascu.org should you wish to learn more about the course transfer guarantees among SOC network institutions.

IMPORTANT NOTE: When you are ready to seek admission into this degree program, please contact the USCG Institute at 1-405-954-7241. Your advisor will send the college or university an official U.S. Coast Guard Institute transcript, a copy of the degree plan, and a ready-for-signature SOC Student Agreement which, when signed by a college official, becomes a contract for degree completion committing the college or university to supporting you in your academic endeavors.

Credit for all courses you have taken must be reflected on official transcripts sent directly to this college from the administrative offices of the colleges you previously attended. This degree plan is often used for information purposes by college counselors pending receipt of the official transcripts from the source colleges.

This degree plan is not intended to compete with your local college or university. Keep in mind, you are allowed to transfer in a significant amount of the degree requirements to this institution. As such, credit from local colleges, college level examination programs, or advanced military training may be applied to this degree. You may also complete the courses necessary from this college either in residence (on campus or possibly on a military base at a campus extension in the Education Center) or through distance delivery of the courses. If you have questions, please contact the college counselor or your advisor listed at the bottom of this Degree Plan.

DEGREE PLAN LEGEND:

SH = Semester hours
VOC = Vocational, not relative to an academic degree
LL = Lower Level, i.e. courses at the Freshman/Sophomore level
UL = Upper Level, i.e. courses at the Junior/Senior level
GL = Graduate Level (sometimes recommended by ACE for very complex courses)
[#] such as [EN024A] or [EN024B] = SOC Course Category Codes*

{#} such as {DANTES Code = 01.02.03} = DANTES Academic Codes **

* SOC Course Category Codes: Service members Opportunity Colleges (SOC) is a consortium of over 1,600 accredited colleges and universities seeking to provide degree opportunities to the military. Over 170 of these institutions participate in network degree programs developed for the Army, Navy, Marine Corps, and Coast Guard. A SOC course category number beside a course from one of these institutions, such as [EN024A] or [EN024B] for English Composition, indicates that courses from other degree program institutions with the same code may be taken to satisfy the degree requirement. See the SOC Degree Programs Handbooks at <http://www.soc.aascu.org/>

** DANTES Academic Codes: The Defense Activity for Non-Traditional Education Support (DANTES) publishes the DANTES Independent Study Catalog (DISC) annually, which lists more than 6,000 courses from dozens of regionally accredited colleges and universities. Because this is a degree from a SOC affiliated college, the academic residency requirements are limited, thereby allowing students to transfer in a significant portion of the degree, as mentioned above. If the course you desire to take is not offered by this institution when you want to take it, consider the opportunities the courses in the DISC present. For more information, visit http://www.dantes.doded.mil/dantes_web/distancelearning/disc/front/cont.htm Keep in mind, you should always check with the counselor or academic advisor at this institution before enrolling in a course listed in the DISC to ensure it will be accepted in transfer toward this degree.

Averett University General Information:

Averett University, located in Danville, Virginia, was first chartered in 1859 under the name of Union Female College; the college was renamed Averett in 1917. In 1969, Averett moved from its initial mission as a Junior College to a four-year co-educational institution offering a baccalaureate degree program. Their first master's degree program was introduced in 1978 with the full approval of the State Council of Higher Education of Virginia. In 1992, Averett became a member of ACBSP (Association of Collegiate Business Schools and Programs).

For over 145 years of continuous operation, Averett's history has been marked by sound principles and practices, success and progress.

At Averett, it's about students and making students' dreams come true. Whether you are graduating from high school or are an adult desiring career advancement, Averett University offers more than 35 undergraduate programs and three master's degree options to help you fulfill your dreams. A low student-faculty ratio allows the programs to provide quality education. Classes average 15 students.

Averett University studies are founded upon the understanding that learning is a lifelong process, which is not confined to a traditional campus environment. We recognize that the adult learner differs greatly from the "traditional" college student. It has been Averett's experience that the adult brings a wealth of knowledge and experience to the classroom and can be fully expected to share responsibility with the instructor for successful outcomes. This adult curriculum provides valuable educational experiences to working adults whose access to higher education may be otherwise restricted or non-existent.

Averett University is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools, 1866 Southern Lane, Decatur, GA 30033-4097, telephone 404-679-5401, to award associate, baccalaureate, and master's degrees. Averett also has membership in the Association of Collegiate Business Schools and Programs (ACBSP).

Tuition for students is: \$305 per credit hour for independent study courses. After military scholarship \$250 per credit hour. Members of the Virginia National Guard (Army and Air) are eligible for National Guard State Tuition Assistance if attending Averett University.

For more information regarding the Bachelor of Science Sociology: Criminal Justice 2+2 degree, please contact:

POLICY NOTES:

Admissions Requirements

- . Proof of high school graduation or GED of 250 and a 2.0 grade point average on any previous college work (Any GPA below 2.0 on a 4.0 grading scale will be reviewed on a case-by-case basis by an undergraduate review committee.)
- . Transcripts from all regionally accredited institutions attended.
- . A student may be exempt from submitting a high school transcript if he/she has twelve (12) or more transfer credits from a regionally accredited college or university.
- . One letter of recommendation from persons qualified to judge the applicant's professional capabilities, character and capacity to complete undergraduate study.
- . Submission of a resume.
- . Students who enroll in all GPS programs must have access to a computer with word processing, a graphical presentations software, spreadsheet capabilities and email internet connectivity for academic use.

This college is rated as one of the nation's best in U.S. News & World Report's "America's Best Colleges" issue.
